EDUCATION

Shaheed Sukhdev College of Business Studies (University Of Delhi) <i>Bachelor of Management Studies – GPA – 8.18</i>	2023 – 2026 <i>Delhi, India</i>
--	------------------------------------

EXPERIENCE

Social Media Marketing Intern — VS-Kart <i>Delhi, India</i>	June 2025 - July 2025
---	-----------------------

- Developed and executed meme marketing campaigns across Instagram and LinkedIn, driving a self-tracked 50–60% increase in post reach over the internship period.
- Researched and curated short-form content strategies (Reels, YouTube Shorts) aligned with trending formats, resulting in improved audience retention and shareability.
- Designed and implemented hashtag strategies based on reach segmentation (high, medium, low) to enhance discoverability and engagement.
- Created content calendars and collaborated with the creative team to ensure consistent brand messaging across all campaigns.
- Conducted competitor analysis to identify content gaps and opportunities for differentiation in sustainability-focused marketing.

Strategy & Marketing Intern — Crack Fillers <i>Delhi, India</i>	May 2024 - July 2024
---	----------------------

- Analyzed customer data and segmented the customer base into four distinct personas based on business goals, technology adoption, risk assessment, lifestyle, and decision-making authority.
- Conducted customer and channel analysis across website, phone, and social media to evaluate adoption patterns and identify opportunities for improving website adoption.
- Translated customer segmentation and channel-level findings into actionable recommendations during strategy discussions with the marketing team.

PROJECTS

Marketing Campaign Strategy MARS Cosmetics “College Starter Kit” (Independent)	2026
---	------

- Built a full go-to-market campaign for the Gen-Z college segment (ages 17–23), identifying budget constraints, decision fatigue, and purchase hassle as core barriers.
- Designed a bundled product strategy (5-in-1 starter kit) and positioning platform (“Stop buying makeup like it’s homework”) to reduce choice overload and drive trial.
- Structured a 4-phase rollout (teaser → drop → campus tour → UGC contest) across a 3-channel media plan: social (Reels/Shorts), campus pop-ups, and micro-influencers.
- Quantified the value proposition at a 35% average savings vs. à la carte pricing to support the AOV and adoption case to stakeholders.

Creative Campaign — Haldiram’s “Thanda Funda” (Manman Assignment)	2026
--	------

- Developed campaign concept and naming for a beverage line targeting exam-stressed college students, anchored on the consumer insight “your brain cools down, exams don’t.”
- Designed activation mechanics including a loyalty/rewards system, campus smart-sip booths, and an Instagram #SmartSipChallenge to drive trial and UGC.
- Evaluated campaign concepts against a structured “memorability test” (emotional insight, minimal dialogue, strong visual storytelling, clear payoff) to prioritize the strongest creative direction.

Operations Performance & KPI Analysis — SQL Github	Spring 2026
---	-------------

- Built a relational MySQL database using an orders dataset to analyze logistics and operational performance.
- Developed SQL queries to calculate key business KPIs, including fulfillment rate, SLA compliance, cancellation rate, and average order value.
- Used CTEs, window functions (RANK, LAG), and rolling averages to identify demand trends, peak-hour patterns, and operational performance gaps.

Sales Performance & Revenue Optimization Dashboard — Excel [Github](#)

Spring 2026

- Analyzed 500+ e-commerce transactions to identify revenue trends across months, categories, and products.
- Built an interactive Excel dashboard using Pivot Tables, XLOOKUP, and INDEX-MATCH to monitor sales performance and business KPIs.
- Identified seasonal patterns and revenue decline drivers through product- and category-level analysis.
